Subject: 2016 Cart Grant RFP Notification

Kris:

On behalf of The Recycling Partnership members and staff, congratulations on being selected as a 2016 grant recipient. The City of St. Paul joins a distinguished list of partner cities that have successfully switched to recycling carts and dramatically improved their program's performance and efficiency. At The Recycling Partnership, we say it takes a team to deliver tons; the close partnerships with our grantees are a great example of that mantra. We couldn't be more excited to work with you over the next 12-15 months.

By mid-June you will receive a draft contract for review and signature. We will also set up a time for a few of our staff to visit you in person and work on fine tuning the timeline and milestones for the project.

We will be in touch soon, but please feel free to reach out if you have any questions in the meantime.

Thank you and congratulations!

Karen (and the rest of the Recycling Partnership team)
