Dear Property Owner:

The following is the Code Compliance report you requested on August 10, 2016.

Please be advised that this report is accurate and correct as of the date September 07, 2016. All deficiencies identified by the City after this date must also be corrected and all codes and ordinances must be complied with. This report is valid for 365 days from September 07, 2016. This report may be used in lieu of a Truth in Housing Report required in St Paul Legislative Code 189. This building must be properly secured and the property maintained at all times.

In order to sell or reoccupy this property the following deficiencies must be corrected.
