Paul,

Do you have any information on when this property went through a division? There is a note that one of the parcels is for parking (072822130178) for the other parcel to the west with the same address (072822130177) but another source said the east parcel was to be used as an investment for future construction of a new dwelling. I wonder if this was a Ramsey County approval without City approval?

Thanks, Karen
