We have attended concerts, plays, weddings, & charity silent auctions in restored theatres around the country. It can be a real community asset.

Charmaine Schodde	Golden Valley, MN	2016-03-06	I've known Ryan and Tina North since they brought their love of theater to kids signed up at the North Hennepin Community College. This was my young daughters first time at acting and first exposure to the theater. Because of that experience, my daughter, Aurora Wahlstrom, is 20 years old and sings with a jazz and blues band. During high school she was in every play and went to One Act competitions. My daughter, Sophie Wahlstrom, is now 18 and a senior in high school. She is also a singer and a theater actor. I credit Ryan and Tina North with building their enthusiasm and enjoyment of theater. We can't wait for North Garden Theater to get off the ground and appreciate your support!
