Can you draft a resolution giving an extension to November 7? Send it through to me and I'll try to catch Mai Chong or Dai before I approve it.

Ms. Moermond gave you until October 7.

My letter states if you wish to contest further, you need to come to the Public Hearing on October 5th.

I don't have the authority to give you an extension. I will forward your request to Ms. Moermond.

Ms Vang,

Here's a forward I rec'd from Inspector Martin who re-inspected my property this am. I would like to request a 30 day extension to get the Electrical permit completed. It has been pulled (see attached copy). Also I believe per Inspector Martin today I believe she implies that I have met most, if not all, of the other requirements.

I wish not to come to the hearing above tomorrow, Friday as per above.

Thank you,

Thanks!! I did send Ms. Vang an email requesting more time to get the permit inspected and approved. I will mail out the updated notice when I receive her response.

Please call Ms. Vang and request the 30 day extension.

Have a wonderful evening!

I am not planning on attending the hearing tomorrow. As stated, I need to get back to work.

So hopefully besides some minor things, and the Electrical, you can please handle helping me get some more

time....30 days perhaps?

Doug

Thank you so much for resolving the issues in the notices you were sent. We understand the electric permits/work should be signed off in the next couple weeks.

Have a great day!!
