Hi Matt,

I spoke with you about this house next door. Another request, can you help with this? Last year they attached tarp to the roof with boards. Several boards have come off and flown in our yards but the worst part is the tarp has degraded and many small strips are getting blown all over my yard every day. I take pride in my yard and have many flowers etc. going on. Can we get all that junk taken off the roof and disposed of?

I am next door at 1238 Hewitt.
