Mai Vang,
I would like the city to remove the boards from my back door and allow me to work in my bungalow everyday from 8 am - 8 pm, cleaning it out.
I am living in a lower level garden apartment 1 block away from my bungalow at
1757 Thomas and I am available everyday to work in my bungalow to complete the issues.
Pastor John Marboe from Zion Lutheran Church will oversee my progress and be my Project Manager.
I have requested a small dumpster to be placed in my driveway from Lauren Lightner at House Calls.
I will contact Snelling Company and Tschida Brothers Plumbing to take out permits for the repair and work that they have already performed.
Sheila Greaser, my Case Manager at Mental Health Resources has agreed to meet with me weekly to check on my progress also.
I have hired Jim Widerski, the caretaker at Zion Lutheran Church to cut my lawn and do exterior maintenance.
I will not live at my bungalow until the
city inspectors have signed off on the completion of issues.

Mai Vang,
Pastor John Marboe at Zion Lutheran Church,
directly across Lafond from my bungalow,
has graciously agreed to act as my project manager.
He will oversee my re-hiring of Snelling Company
to take out a permit for the work that they have already completed
and
Tschida Brothers Plumbing to take out a permit for the work that they have also completed.
I have also hired Jim Widerski,
the exterior and interior caretaker of Zion Lutheran Church
to do my lawn cutting and exterior maintenance.

I will be happy to act as a reliable witness to verify whether work is being accomplished on Richard Ayd's house. I am the pastor of the church across the street from his house, Zion, and I can physically inspect the progress.
If this is what is required, I will serve in that role. I cannot take on any responsibility for arranging, overseeing or making sure any work or contracts are completed.

Sincerely,
John C. Marboe

Pastor, Zion Lutheran Church
