Importance: High

Hi, this one will need to be laid over and added to the March 1st agenda. The owner will not be in town to attend the hearing tonight. His initial 60 would have expired back on January 12th, however, I extended him another 60 days back on January 11th and his new deadline for action is March 13th.

Gnia Kong. 651-785-8851, just called to say that he is unable to attend the public hearing tomorrow and would like this item laid over to March. He is going to be out of town and will be back sometime in March.

I told Kong that I would put that question to your offices, but I could not promise it would be laid over. Kong requests that someone give him a call about his request.
