Ms. Moermond:

-this is a request of an extension of time to do the work

-I'm recommending that Mai Vang draft a Resolution granting to Mar 1, 2017 for the removal of everything except for the trailer & its contents (so, #1: the tree branches, the construction materials, the marble, the sheet rock, all of that by Mar 1); then, #2: the trailer itself & its contents removed by Apr 1, 2017.
