Dear Kris and Jeff,

On April 17, 2017, the Union Park District Council Committee on Land Use and Economic Development discussed the license application submitted by Tillies Farmhouse (currently operating as Trotter's Café at 232 Cleveland Avenue). Owners Kari and Eric Grittner presented on behalf of the license application.

The committee voted unanimously to **recommend approval** of the license application for wine and beer service, and outdoor service on the sidewalk patio. The committee also voted unanimously to support a time waiver for the license, if there is an opportunity to support a waiver.

Please let me know if you have any questions.

Sincerely,

Julie Reiter, Executive Director, Union Park District Council
