The City Council is paperless which saves the environment and reduces expenses.

The agendas and Council files are all available on the Web (see below).

Councilmembers use iPads to review the files during the meeting. Using the iPad greatly reduces costs since most agendas, including the documents attached to files, are over 1000 pages when printed.

Web

Meetings are available on the Council's website. Email notification and web feeds (RSS) of newly released Minutes, Agendas and Meetings are available by subscription.

Please visit www.stpaul.gov/council for meeting videos and updated copies of the Agendas, Minutes and supporting documents.
