Good morning Steve and Ed,

Just an FYI regarding 1271 Seminary Ave. Squads were sent to the address last night after a complainant observed people other than Bruce Magnuson entering the residence. Squads arrived and located four (4) people inside the residence including Magnuson. Magnuson admitted knowing that nobody other than he is allowed in his home per the court order. One of the other occupants was arrested on a active arrest warrant, the other two persons left Magnuson's home without incident. I have attached the public narrative report for your file due to the current court proceedings and violations to the current order.

Any questions, please feel free to contact me.

Thanks!!

-Todd
