To whom this may concern:

Dan was born + raised in this neighborhood (he was born in 1959)

He worked with his dad plastering + Stucco for years from the home.

Dan's father owned part of this land for more than 20 years for his garden - which he named "The Garden of Weeden"

Danny has had the garden every year so I can can - I enjoy canning Tomatoes -

He lives across the street from me if I need any assistance he's close By

He loves his home -
He always busy in his yard & garden -

I think its a shame What the city is doing to him —
They took his gardening Materials - told him he can't put up his Stucco Signs and I feel they are just picking on him

Why can't they let him alone and Live his life -
He isn't a nuisance neighbor Everyone loves him -
