Account Balance Verification and Verification of Deposit Requests

Customers may request account balances or verification of deposit for themselves, a government agency or another third party such as:

- Credit Card Companies
- Financial Institutions
- Mortgage Companies
- Loan Companies
- Probate Court or Friend of the Court
- Landlord
- College or University

Verification of Deposit for a Mortgage

Most often an account balance verification request is needed for the purpose of securing mortgages. In the circumstance of a Mortgage Verification or VOD the customer will usually provide a standard Government form.

A Mortgage Verification of Deposit must be completed by Corporate Operations.

All States: 605-323-2575.

- Send all request forms for Verifications of Deposit (VOD), deposit or balance verification to the Corporate Operations department for processing. Use the form provided by the customer from a Government agency. Do not use the standard TCF Account Balance Verification Form found on the intranet. Verify that the customer has signed the form. The customer signature authorizes TCF to release their account information. Unsigned forms will not be processed.
- Corporate Operations will process your request and mail the completed form to the customer's address or the address of the applicable government agency. **Note: The form will be faxed to the branch on an exception basis only. All requests will be completed within one business day.**

Account Balance Verification Request: Non-mortgage related requests

In the interest of customer service, a branch employee may complete the Account Balance Verification form in the branch for a customer. This form may be found on the next page or on the Retail Corporate Home Page by searching Balance Verification. All non-TCF verification forms must be forwarded to Corporate Operations for processing. Inform the customer that the form will be processed and mailed to the appropriate party within one business day.
