PROJECT NAME:	PPL Ain Dah Yung Supportive Housing		
ADDRESS.	771-785 University Avenue West	CITY: Saint Paul	

Please indicate below <u>one</u> of the Threshold criteria under which your project qualifies, and the selection and/or preference priority points for which you expect your project to qualify. The Authority will determine actual Threshold and Selection points which are to be awarded, based on application and the documentation submitted. **Do not claim points if you cannot provide documentation**.

NOTE: Restrictive covenants covering the rent restrictions and occupancy requirements presented at selection will be placed on the buildings at the time of allocation.

#### THRESHOLD CRITERIA:

- 1. New construction or substantial rehabilitation in which, for the term of the extended use period, at least 75% of the total tax credit units are single-room occupancy units which are affordable by households whose income does not exceed 30 percent of the median area income;
- New construction or substantial rehabilitation family housing projects that are not restricted to persons who are 55 years of age or older and in which, for the term of the extended use period, at least 75% of the total tax credit units contain two or more bedrooms and at least one-third of-the 75% must contain three or more bedrooms;
- 3. Substantial rehabilitation projects of existing housing in neighborhoods targeted by the City of Minneapolis or the City of Saint Paul for revitalization;
- Projects in which at least 50% of units are for mentally ill, mentally challenged, drug dependent, developmentally disabled, or physically handicapped persons, all as further described in Minnesota Statutes, Section 462A.222, Subdivision 3(c)(I)(3);
- 5. Projects which preserve existing subsidized housing which is subject to prepayment if the use of tax credits is necessary to prevent conversion to market rate use.

Additional Requirements for Saint Paul projects are as follows:

- All new construction projects receiving more than \$200,000 in public investment must comply with St. Paul Sustainable Building Policy at <a href="http://www.stpaul.gov/DocumentView.aspx?DID=11656">http://www.stpaul.gov/DocumentView.aspx?DID=11656</a> Projects receiving \$200,000 or less must comply with the sustainable development standards known as PED/HRA Sustainability Initiative. See: <a href="http://www.stpaul.gov/DocumentView.aspx?DID=11663">http://www.stpaul.gov/DocumentView.aspx?DID=11663</a>
- All projects must be reviewed and determined to be consistent with City/HRA plans, Saint Paul Comprehensive Plan, or Small Area Plans.
- All projects must comply with cost containment thresholds established to be established by the HRA. Projects with unique urban redevelopment conditions may request a cost containment adjustment, subject to HRA approval. (See: Procedural Manual)

- At all times, all projects must affirmatively further fair housing by complying with federal, state, local laws, rules, and regulations, including Section 183 of Saint Paul Legislative Code. Upon notice of any fair housing violation, the HRA, acting on behalf of the Minneapolis/Saint Paul Housing Finance Board, ("Housing Finance Board") reserves the right to determine that all parties involved with the project will not be eligible for participation in the Low Income Housing Tax Credit Program for Saint Paul projects for a period of up to five years. (See: Procedural Manual)
- Any change or transfer of ownership after the place in service date is subject to HRA approval, acting on behalf of the Minneapolis/Saint Paul Housing Finance Board. Upon notice of any transfer of ownership without proper notification and HRA approval, the HRA reserves the right to determine that all parties involved with the project transfer will not be eligible for participation in the Low Income Housing Tax Credit Program for Saint Paul projects for period of up to five years. (See: Procedural Manual)
