Hi Greta –

We do have the application for the Code Compliance Inspection you submitted. It had not been uploaded in our system which is why we didn't see it had been done. There is also a receipt for payment for the inspection. You are good to proceed with the required inspections once there is confirmation that the property has been cleaned out. You will need to contact Jim Seeger to start this process – 651-266-9046.

Joe:

Thanks for the email. I submitted the CC application over a month ago. Attached is the email that I sent to Marie Notarino. I originally submitted it with the incorrect fee (single family), so we re-submitted it with the duplex fee. Please confirm that my client has properly submitted the application and paid the appropriate fee.

Thanks,

Greta, just an FYI, I just checked this morning and there is no code compliance application in the system. For the City of Saint Paul to perform a code compliance inspection we need the fee and an application (available on line).
