12/21/2001	01 242793	Finald	Contractor Vone X Moua - 1/7/02 Need to talk to Arch about platform that turns out to be new. Need ramp to fixed permanent platform-ramp or remove from plan and provide temp. movable platform as needed. Ceiling sheetrocking done before permit applied for. Steve Ubl says no sound reduction done. Talk to Architect about possibility of ramp access rather than spending money on grab bars, etc to restroom not accessible-could probably make up an inch outside, smaller landing and rest inside-appears to be wood frame below except foundation may be a problem. Steve Olson meeting w/them Monday am Tate
