Perry,

Thanks for getting back to Tom and I via email. I appreciate the support on the interior 1600sf expansion of Tiffanys Sports Lounge. My hope was to have a conversation about the letter disputing the 8 chairs proposed on the sidewalk.

I would greatly appreciate you reconsidering a conversation.

Happy Thanksgiving,
Blake

Tom,

We don't have any objection to Tiffany's expansion into the former Jimmy Johns space. Our objections remain the same as they have always been and we will lay those out at the hearing.

Have a nice Thanksgiving.

Perry,

I just left you a voice message and am also sending you this email message.

I heard from Blake Montpetit of Tiffany's Restaurant this morning that you have sent a written objection to his liquor license application for his expansion into the former Jimmy John's space at [2053 Ford parkway](#).

Because of the holiday season this is critical time of year for his business and this would delay his opening and revenue stream which is needed to fund his expansion.

He would like to discuss this with you and has left you numerous message.

For your convenience I am attaching his contact information.

Can you please take his call or reply to him at:
