Subject: application for malt on-sale (strong) & wine on-sale

DSI Inspector III, Kris Schweinler, Yaya Diatta, Jeff Fischbach:

This is in response to the proposal which would allow the sale of strong malt and wine at the restaurant Los Sanchez Taqueria, located at 1905 Stillwater Ave.

I don't feel that having a liquor license granted at this establishment will enhance the neighborhood, especially with the sale of a strong malt. Ideally, this should be a quieter residential area and I feel that another establishment offering alcohol up until midnight would be counterproductive to that goal.

Therefore, please consider this my formal objection to the granting of the license # 20170002854.

Thank you,

Joan Simpson
