Good morning Marcia,

I was recently contracted to resolve the boiler issues at 1032 Duluth st. I pulled a permit for the work and spoke with the inspector yesterday about the project. I've made the corrections he requested and will be scheduling an inspection this morning when the inspector calls me back. I've attached the permit receipt for your records. If you have any questions please contact me at 612-325-3631.

Respectfully,

James P. Vin Zant
