Subject: Thanks for your prompt service on Christmas Eve

Our family wants to thank the intrepid crew who came out to the corner of Dora Lane and East Dora Court on the evening of Christmas Eve and stayed into the early hours of Christmas morning, fixing a water main break. We certainly appreciated your work and hope that you were able to spend some quality time with your families after making our lives better.

Subject: Thanks and kind words

There was a main break on Parkview Ave in St Paul on Christmas. They had to shut off the water at 6 PM. The workers came to our house 1/2 hour before the shutoff to give us time to hoard some water, and they were all done by 9 PM. Thanks for the quick work and for doing it in sub-zero temperatures on their holiday.

Peace,

Tom O'Brien
