I'm writing regarding our concern with the License Application – License Application Number 20170003907 – for: Wine On Sale, Malt On Sale (Strong) and Entertainment (A) – at: 490 Syndicate St. N.

We have lived at 1231 Sherburne Ave. (between Griggs St. and Syndicate St. N.) for 47 years.

Although we support small business we have a concern with the lack of off street and University Ave parking for this business which creates excess vehicles parked on Syndicate north of University, and east and west of Syndicate on Sherburne. In addition this includes vehicles from customers of that business parked across sidewalks and close to the intersection which restricts visibility of oncoming traffic for vehicles and pedestrians (adults, elderly and children – with a school and playground one block over on Charles Ave.) traveling on Sherburne crossing Syndicate (which creates a public safety issue).

By adding Wine and Malt this not only would create more parked vehicles, but also lengthen the time the vehicles are parked – with less turnover of vehicles parked.

Again we support small business but unless they can secure safe off street parking we do not support this application and hope DSI takes this information into strong consideration.
