Re: Order to remove or repair the structure at 666 Minnehaha Avenue West  
Council File RLH RR 17-34

Dear Mr. & Mrs. Vang:

The Saint Paul City Council adopted an Order to Remove or Repair the nuisance/dangerous building(s) at 666 Minnehaha Avenue West in Saint Paul within 180 days of August 2, 2017. The date the work is to be completed, per the Council resolution, is February 2, 2018. The measure of completion of the work and abatement of the nuisance/dangerous condition is the issuance of the Certificate of Code Compliance. In order to make findings for Council consideration of the completeness of the work and need for city abatement of the nuisance/dangerous building(s), as well as the status of the performance deposit, a legislative hearing will be scheduled for **Tuesday February 13, 2018 at 10 a.m. in Room 330 City Hall, 15 West Kellogg Blvd., Saint Paul.**

If you have received the Certificate of Code Compliance by February 2, 2018, this hearing will be cancelled and a resolution will be forwarded to the City Council indicating the nuisance conditions have been abated and the matter is closed.

If you have *not* received the Certificate of Code Compliance by February 2, 2018, you will need to work with Joe Yannarely ([joe.yannarely@ci.stpaul.mn.us](mailto:joe.yannarely@ci.stpaul.mn.us) or 651-266-1920) to schedule an inspection to occur *prior to* the week of February 12, 2018. Both Mr. Yannarely and a building inspector will conduct this inspection.

The findings of the Legislative Hearing will be considered at a City Council Public Hearing on **Wednesday February 21, 2018 at 5:30 p.m. in City Council Chambers, Room 300 City Hall, 15 West Kellogg Blvd., Saint Paul.**

Sincerely,

/s/

Marcia Moermond  
Legislative Hearing Officer
