Mr. Mitchell,

At the March 13 Legislative Hearing, the appeal above was reviewed and DSI staff determined that the sewer line situation has not been abated; therefore, the City Council will adopt the finding of the Legislative Hearing Officer at tonight's public hearing, March 14 at 3:30 p.m. in Rm 300 to authorize the Department of Safety and Inspections to proceed with this nuisance abatement and the cost will be assessed to the property.

If you wish to contest to this recommendation, you may attend tonight's public hearing.
