Dear Applicant:

Our review of your application for a license is in process. Notification has been sent to the community organization and neighbors for the area in which you intend to operate giving them until **Friday, February 16, 2018** to voice any objections to your license application. If no objections are received, your license could be issued (pending any requirements not completely met) approximately one week past the date given above. *The approved paperwork and license will then be forwarded to the State of Minnesota Alcohol and Gambling Enforcement Division (AGED). You would then need to contact AGED to obtain your Buyer's Card (NOTE: an AGED on-site inspect is required for newly licensed Wine On Sale establishments prior to their approval of your Buyer's Card. They will not schedule an inspection until the City has completed its review of your application). AGED will send you your license once they have finished their review.*

If objections are received a hearing will be scheduled before a legislative hearing officer. You will receive notice of the time, place and date of the scheduled hearing from the Legislative Hearing Officer. At that hearing, the hearing officer will take testimony from all interested persons and will make a recommendation to the City Council as to whether the license(s) should be approved or be referred to an administrative law judge for further review. The City Council will have the final authority to grant or deny this license application.

Requirements including the following must be met prior to the issuance of your licenses:

- Sign and return one copy of the enclosed license condition affidavit acknowledging the conditions that will be placed on your license(s). A return envelope has been included for your convenience.
- Contact Kris Schweinler, DSI Senior License Inspector, at 651-266-9110 to schedule the required in-house review of DSI's Liquor License Manual.

If you have any questions, please contact DSI Inspector Kris Schweinler at 651-266-9110, or me at 651-266-9106.
