## CORRECTION NOTICE

Date: **February 15, 2018**  
RE: **1263 ST ALBANS ST N**  
File #: **18-028636**

Dear Sir or Madam:

The City of Saint Paul, Department of Safety and Inspections has inspected the above referenced property on **February 14, 2018** and has determined that the following deficiencies exist in violation of the Saint Paul Legislative Code<sup>1</sup> (see footnote 1, below).

1. **GARAGE** - The exterior walls and/or trim of the garage has defective, peeled, flaked, scaled or chalking paint or has unpainted wood surfaces. Scrape and repaint to effect a sound condition in a professional manner. **PLEASE SCRAPE AND PAINT THE GARAGE.**
2. **GARAGE** - The roof is deteriorated, defective, or in a state of disrepair. Repair or replace the roof covering to a sound, tight and water impervious condition. Permit may be required. **INSPECT THE ROOF ONCE THE SNOW MELTS AND REPAIR OR REPLACE THE ROOF AS NEEDED.**

You are hereby notified to correct these deficiencies in accordance with the appropriate codes. The Enforcement Officer will re-inspect these premises on **June 08, 2018**, by which date the violations noted must be corrected. **Failure to correct these deficiencies may result in the issuance of criminal charges<sup>2</sup>** and/or a civil lawsuit, and possible abatement/assessment by the City. All repairs and new installations must be made in accordance with the appropriate codes. Permits may be obtained by calling 651-266-8989.

You may file an appeal to this notice by contacting the City Clerk at 651-266-8585. Any appeal must be made in writing within 10 days of this notice. (You must submit a copy of this Notice when you appeal and pay a filing fee.)

Footnotes:

- <sup>1</sup> To see the Legislative Code go to [www.stpaul.gov](http://www.stpaul.gov) on the internet, click on "Departments", then click on "Department of Safety and Inspections", scroll down the page for the "Codes". Most Correction Notices derive from Chapter 34.
- <sup>2</sup> Criminal charges can be brought on the day the violation is observed, but generally we allow time to correct unless this is a repeat violation.

**WARNING:** Code inspection and enforcement trips cost the taxpayers money. If the violations are not corrected within the time period required in this notice, the city's costs in conducting a reinspection for compliance after the due date will be collected from the owner rather than being paid for by the taxpayers of the City. If additional new violations are discovered within the next following 12 months, the city's costs in conducting additional inspections at this same location within said 12 months will be collected from the owner rather than being paid for by the taxpayers of the City. Any such future costs will be collected via assessment against the real property and are in addition to any other fines or assessments which may be levied against you and your property.
