Good Day Mr. Sauer,

I was disappointed to learn that the mechanical contractor hired by your client did not show for 2 scheduled inspections with the mechanical inspector – 1 on 4/16 and the other 4/23. (Below is the contact information on the contractor.) It appears the building inspector gave a correction order on 2/1 and is ready to re-inspect, pending the mechanical permit being finalled.

The question of whether the nuisance condition has been abated is in front of the City Council for the **3rd time** Wed. 4/25. I would sincerely appreciate it if you would contact your client and get this matter resolved. Please email or call me prior to the 3:30 public hearing on this matter to let me know the situation.

Thank you, Marcia Moermond
