Comments:

We received Corrective Notice to install sheetrock on the ceiling in the basement of our condo building. Based on the inspector's advice that the repair would be an easy 1-2 day job, we did not initially appeal. We've since discovered that the corrective action is very complicated and expensive. One contractor that came out to look at it, characterized it as a "nightmare project" and three other companies have declined to bid on it after seeing photos. We are seeking an exemption from this corrective notice.

Legislative Hearing Fact Sheet

Legislative Hearings provide a forum to review appeals of City-issued orders and develop recommendations for City Council consideration. Appellants not satisfied with the recommendation of the Hearing Officer also have an opportunity to be heard before the City Council if they wish to appeal further. Any person unsatisfied by the quasi-judicial decision of the City Council may obtain judicial review by timely filing of an action.

Appeal Applications

Appeal application forms are available online at <http://www.stpaul.gov/index.aspx?NID=161> or they can be mailed to you calling 651-266-8585. Appeal applications may be submitted in person at or by mail at Legislative Hearings, 310 City Hall, 15 Kellogg Boulevard W., St. Paul, MN 55102. Appeal applications should be filed within ten days of the date of written notification of the item(s) being appealed.

Scheduling Your Appeal Hearing

The date and time of the hearing for those applications submitted in person will usually be set at that time. Mailed applications will be copied and returned to the appellant with the date and time clearly indicated on the form. Generally, appeal hearings are scheduled one to four weeks after the application is submitted. Once an appeal has been scheduled, it may not be rescheduled more than once. Additional rescheduling will only be done by referral from the City Council.

If you are appealing a special assessment or wish to be heard on a proposed order to abate a nuisance building, the appeal dates and times are automatically listed in the orders themselves.

Hearings Are Held on Tuesdays & The Schedule Typically Is:

- 9:00 Tax Assessments & Orders to Remove or Repair, Repurchase of Application
- 11:00 Summary & Vehicle Abatement Orders, Correction Notice/Orders by Code Enforcement
- 11:30 Condemnations, Revocations & Vacate Order
- 1:30 Fire Certificate of Occupancy Letters & Fire Inspection Correction Order, Inspection Appointment Letters
- 2:30 Vacant Building Registration Notices
- 3:00 Other Cases (Usually Code Compliance Inspection Report, Fence Variance) and Overflow Hearings

What to Expect at the Hearing

A number of appeals are heard in each hearing session. For each appeal, City Staff will give a report and appellants will be given time to present information, testimony, photos or other documents. The Hearing Officer will take all of this into account to develop a recommendation for Council consideration. Occasionally, a decision cannot be made at the hearing and the matter will be laid over or continued to allow the appellant and/or staff time to gather more information. The hearings are quite informal but it is still expected that cell phones and pagers will be turned off, and City staff and appellants will address one another respectfully.

Interpreter: If you need an interpreter for your hearing, please call 651-266-8585 for us to arrange one.
