Dear Hearing Officer,

This appeal for additional time to complete repairs of wood trims on the exterior of our building is due to the recommendation from the City inspector on 5/23/2018

1 We have been asked to stop work and to contact the historical preservation office for guidelines which we have done and we're currently working with them.

2 We made an appeal for financial grants for historical buildings and we're still waiting.

3 Due to the fact that we are dependent on the timelines from the historical preservation office, we are not sure if we will be able to meet the July 1st timeline. We will be very pleased if we can work with the HP office to determine a timeline that will work

The timing of this appeal is to ensure that we remain within the 30 days guideline to file an appeal.

We look forward to your consideration.

Best Regards,

Gabriel Mba

President of the Minnesota Cameroon Community.
