11/17/2003 Notification response date 12/19/2003, notices mailed 11/17; 26M and 33EM. CMK.
11/17/2003 Save the following conditions for license history: 1. Storm water ponds and pipes must be constructed as shown on the site plan (file 96-032) that was submitted to the City for the buildings on the site. The ponds and pipes shown on that site plan were not completed and as a result, there is an erosion problem. The construction must be completed no later than June 1, 2003. (The aforementioned conditions are being changed to cover the site plan/public works requirements that were not met by the business owner/property owner in 1996). jjh/caa
11/10/2003 Copy of letter received from JJH - Ila Shah letter to Rob Pellow stating findings and requirements to be met. jjh/caa
11/03/2003 Another email sent out to TB, JJH, and KS requesting review and update of this business. car/caa
10/28/2003 Fire Prevention issued "Engineering" permit for INSTALLING AUTOMATIC DRY CHEMICAL SYSTEM FOR PAINT BOOTH #03-349190.
09/16/2003 Another email sent out to JJH, TB, and Ila Shah asking for inspection status of this license application. caa
09/16/2003 Engineering folder type entered on 09/08/2003 is still pending for INSTALLING AUTOMATIC DRY CHEMICAL SYSTEM FOR PAINT BOOTH per Amanda #03-349190. caa
08/28/2003 Contacted owner Rod Pellow who stated Jerry's Fire will be installing suppression system starting week of 9-15 (permit now pulled). Recheck 9-19-03. D.B./caa
07/29/2003 03-309001 2nd inspection results per Dave Bergman, Fire: "left message for owner Rod to call Jerry's fire/safet to get installation date for suppression system but received no reply. Reissuing orders with 30-day recheck. 2nd inspection/deficiency letter sent to Richard Pellow requiring him to provide an approved automatic fire extinguishing system in the spray booth, exhaust plenums and both sides of the exhaust filters. Also to obtain required permits." DB/caa
07/21/2003 03-315266 per DB, met with owner Rod Pellow who stated he has Jerry's Fire/Safety contracted to install system asap. Suspend 15 days. Orders already issued on another referral so this complaint can be closed. db/caa
07/01/2003 03-315266 per DB, rechecked. db/caa
06/18/2003 03-315266 per DB, Amanda Inspection note "cannot approve license until fire suppression system has been installed in paint spray booth." db/caa
06/03/2003 03-309001 Complaint response from DB, fire: "This complaint is bldg #2 (paint bldg). Bldg was constructed new in 1996 but went without C of O recently. Was waiting on issuing orders for booth suppression until LIEP checked files to see if variance or any special reason exited why suppression was not required. Ed Locke stated he could not find any docs explaining why it was not. DB is issuing orders with 45-day recheck." db/caa
04/03/2003 DB responded to email requesting inspection status. Per DB, "I stopped out to this address yesterday and did preliminary inspection. Their spray booth lacks fire suppression system and there is no record of building permits in Amanda (Inspectors are checking archives for that today). I have CofO scheduled for tomorrow am and I will address all code issues." db/caa
04/01/2003 response to email requesting inspection status came from TB: "They have not constructed the ponds required for storm water management that were shown on the site plan they submitted at the time they constructed the buildings. As a result, water is draining down an embankment and causing an erosion problem." TB/caa
04/01/2003 email sent to fire and zoning requesting inspection status. caa
04/01/2003 requested information received: proof of property ownership, Articles of Incorporation,
03/25/2003 letter sent to applicant re: requirements not met (prop lease or ownership, business purchase, art of inc, c of o, Zoning review, State dealer app). Response due 04/02/2003. caa
03/10/2003 JJH sent letter to Richard M Pellow stating: the site plan review requirements from 1996 has not been satisfied. JJH asked applicant to contact zoning to discuss a corrective plan to address the unresolved issues. jjh/caa
12/23/2002 per letter from Bill Awker, City Inspector, to Ila Shah. No required work has been done at this site. The pond near Bldg 2 is 1/2 the size shown on the city approved site plan. No outlet to railroad property. No pipe connection between the two ponds. No ponding area to North of Bldg 1. Serious erosion problem at the property line. - Ila will be asking Twin Cities Wrecker why this work was not done. jjh/caa
06/25/1997 Per Car, Change Business Address From 1280 Jackson St To 1301 Jackson Street. Licensee Moved Across The Street And Has Been Operating There For A Few Months. Fire And Zoning Are Already Aware Of This Business Move.
10/04/1996 per letter from Dave Olson, Sr Mech Insp to Rod Pellow: Paint booth is complete with exception of sprinkler system. Fire Code requires the booth to be sprinklered. Informed to contact Phil Owens at Fire for requirements. Bldg will not be certified for occupancy until this requirement is met. do/caa
