We currently have plans to build a new home on the lot; construction to start soon.

We bought the property in 2016, and planned to remodel it, but the property was accidentally totally flooded in the spring of 2017, and all equity was lost. We re-assessed our options and currently have plans to build a new house on the lot.

The outside of the property (yard, street) was cleaned, maintained, grass mowed, snow plowed since we bought it, until today.

The annual fee is **\$2,127.00**. The purpose of this fee is to partially reimburse the City for administrative costs for registering and processing the Vacant Building Owner Registration forms and for the cost of monitoring these properties for compliance with Saint Paul Legislative Codes.

Also, if at any time the registration fee is unpaid and owing, building permits will be denied for this building.

**The full amount owed will be assessed to, and collected with, the taxes for this property as permitted by Saint Paul Legislative Code Chapter 43.**

The owner(s) still will be subject to a criminal Summons and Complaint for failure to pay this vacant building registration fee.
