Hello Julie,

Per our phone conversation I would like to present a case in opposition of the \$1,000 fine that is proposed for Max Mart at 962 Burr St. I'm available to attend a meeting on August 1st however I am out of town on August 15th so hopefully the 1st will work for them.

Is this something I need an attorney for (I hope no) or what is your experience with that?

Thank you.

Cheers,
Dave Anderson
