CITY CLERK

Hi MARCIA, enclosed find copy of correction notice Ref.# 109581 AND CORROSPONDING APPLICATION for APPEAL. I Appeared in front of you may 1, 1:30 pm. Am complying with your order to tend to #6 on correction order. Your point about the severity of having a clogged drain is well taken — my credo as landlord is to deal with any issue like that immediately. ALSO enclosed; find receipt for plumbing services performed later that same day — please note on receipt where very heavy baby wipes AND paper towels are notated: my tenants are a married couple in their 50s with no need for baby wipes as far as I can tell. I am convinced that this is one more attempt at intentionally causing damage by tenants. Sincerely;
Steve Fuller
