Ms. Moermond: there's a list of significant deficiencies that need to be dealt with on the interior as well as the exterior; now, it has gone from being a non-owner-occupied property to an owner-occupied property

-I respectfully request that Fire Inspections forward this record and inspection list to Code Enforcement for follow-up and that they make an appointment within the next 3-4 weeks to inspect this property and update the Orders

-deadline for compliance: Sep 1, 2018; we will send a resolution

A new resolution to go to City Council to grant the appeal to be released from the Fire C of O Program; however, orders will be transferred to Code Enforcement inspector for follow-up inspection which are granted until September 1, 2018 for compliance.
