Subject: RE: 132 Western Ave S Revised Letter

Good Afternoon,

I arrived at property today and was allowed access by tenant and her son will. Al Harris from smrls was also present. The following was found per attached letter:

1. Was provided documentation that an exterminator was hired and treatments are ongoing.
2. Found smoke and CO detectors working per code requirements
3. Front steps were repaired
4. Tenant and son will speak more to this at hearing. A new dryer was ordered but no permit exists for venting at this time.
5. Covers in place per code requirements
6. Tenant will speak to this at tomorrows hearing.

Thanks,
