Manana Restaurant LLC / DBA Manana Restaurant LLC

I Balmore Paiz certify that I personally went door to door and obtained signatures from each person that signed the attached petition submitted on 05/17/18. Before having them sign the petition I explained to them I was applying for a Liquor On Sale license and wanted to have support signatures from every neighbor explaining to them the new restaurant would include a full bar and a patio where we would also be serving alcohol drinks outside. I asked everyone to sign supporting the outside liquor service.

I went two times around the neighborhood circulating the petition and obtained 9 residential property owner signatures out of a possible 13 residential properties. I also obtained 6 signatures from businesses. I believe the results of this petition shows a big support from the neighborhood for my business and outdoor liquor service.

Although telephone numbers with my first attempt, I will go around the neighborhood another time and try to get as many telephone numbers from those that signed the petition and provide them to you by the end of next week.
