Job Title

Why are you interested in serving on a board or committee?

A skilled workforce is a critical component to business success, and stable employment is critical for family stability and strong communities. By addressing workforce issues and needs of employers and workers, the WIB plays an important role in advancing the economic health of Ramsey County. Bringing together stakeholders to collaborate in addressing critical workforce issues is important for the long term success of our businesses, workers and communities. I would like to be part of the WIB's efforts to develop innovative solutions to the important workforce challenges we face. My organization, YWCA St. Paul, currently provides workforce development services and career pathways opportunities to low-income individuals, primarily from communities of color. We believe that employment and economic development is critical for strong families and communities. I would bring the perspectives I've gained through my experience in business and through the work done in the community by YWCA St. Paul.
