You are hereby notified to correct these deficiencies in accordance with the appropriate codes. Appeals: You may appeal this order and obtain a hearing before the City Council by filing a written request with the City Clerk before the appeal deadline noted above or seven (7) days after the date mailed, whichever comes first. No appeals may be filed after that date. You may obtain an application from the City Clerk's Office, Room 310, City Hall, St. Paul, MN 55102. The telephone number is (651) 266-8585. You must submit a copy of this Correction Order with your application.

***WARNING:** Code inspection and enforcement trips cost the taxpayers money. If the violations are not corrected within the time period required in this notice, the City's costs for conducting a compliance reinspection after the due date will be collected from the owner rather than being paid by the taxpayers of the City. If additional new violations are discovered within the following 12 months, the City's costs in conducting additional inspections at this same location within such 12 months will be collected from the owner rather than being paid by the taxpayers of the City. Any such future costs will be collected by assessment against the real property and are in addition to any other fines or assessments which may be levied against you and your property.
