**Comments:**  
House was bought with previous vacant status on Dec. 2, 2016. Renewal fees were paid in 2017. I am asking for a 2018 extension in order to finish renovations and homestead the property. I am doing the work myself after my full-time job and on weekends. I have completed nearly everything on the code of compliance report and feel that the remaining tasks could be completed within a few months. I believe an extension through December 2nd would be sufficient and would mark two years of me owning the property.
