Mr. Dunnigan called me this am and said that he cannot make today's inspection and wanted to do it next week. I advised him that I was booked full next week and offered to do it this Friday.

He said he could not do it than either as he was going out of town for the holiday.

I advised he must contact the Hearing Office for possible extensions. Until then we tentatively set up an inspection for September 13<sup>th</sup> at 9:30.
