Marcia,

I got a call from Mr. Alam reminding me of our phone conversation (see below). This didn't happen and it didn't get on the Agenda for review. He got the invoice to pay now.

Can you look at this and see if it should be prorated?

Owner was in the VB from April to August. It's a Cat 1. House has been occupied since August 1. Vb filed closed on August 23. Thanks.

Hello Mr. Alam,

Per our phone conversation, I will add this property to the September 18 Legislative Hearing Agenda for review. You went into the VB Program in April; therefore, you were in the program for 4 months. I will present this information to the hearing officer and see what she recommends and will email you with result.
