**Subject:** 2550 University Ave W -- Court International, Immunization Action Coalition Tenant

Rolf and Rick,

Discussed the door in the corridor situation with Building Official Steve Ubl (he used to be the field inspector for this area and is familiar with the building).

He felt it would be best not to install the door in the corridor and instead provide adequate exit signage for the people leaving the tenant space.

5/30/2014

Sorry for all the confusion, John

**John Skradski**
