**Subject:** written objection - Team Ortho event 10.27.18

I write to again place my objection to events sponsored by Team Ortho. The philanthropic record of this organization is poor to deficient and I understand the city has had considerable feedback and intelligence provided on Team Ortho . As residents in an area generally gracious in being disrupted from parking in our garages or streets, and noise and crowds, I ask that you do not permit the noise testing nor the events sponsored by Team Ortho. As tax paying residents we deserve more consideration and ask that the event if worthwhile and philanthropic be diversified to other neighborhoods. Team Ortho events should, however be disallowed.

Thank you, Kathleen Schubert 280 Summit Ave St Paul 55102
