Hi Randy,

Ms. Moermond was going to recommend that your VB fee be reduced from \$2284 to \$1142 if you receive your code compliance certificate by today. From checking the record, there are still active permits which means the repairs are not done; therefore, the recommendation to the City Council will be approval for the whole vacant building fee of \$2284.

If you wish to contest at the City Council Public Hearing, it's today at 3:30 p.m. in Room 300.
