10/11/2018 8:58 PM	Ben Ashley- Wurtmann	For	While I am sorry to see any downzoning along Marshall, I do applaud CM Nelson's amendment. Preserving opportunities for transit oriented growth along the vital 21/53 bus route is a must do thing for St Paul. We recently received news that the world will see deadly and irreversible climate change in a decade. The least we can do for those who would like to live longer than 12 more years is to better promote places where it's easy to be car free to live, work and play.	+2 -1
