Re: Order to remove or repair the structure at 610 Saint Albans Street North

Dear Ms. Askar:

You had called our office stating that you missed the Legislative Hearing on August 28, 2018; therefore, Marcia Moermond, Legislative Hearing Officer, has recommended continuing the matter to **Tuesday, September 25, 2018 at 9:00 a.m. in Room 330 City Hall**. Below are standard conditions you will need to meet in order to receive a grant of time:

1. A detailed work plan or sworn construction statement, including timelines and bids, for completing the work required in the code compliance inspection report will need to be provided, including subcontractor bids;
2. Documentation of financing sufficient to execute the above work plan will need to be demonstrated (line of credit, construction loan, personal bank account). The City's estimates the cost of repair to exceed \$50,000; however, this number is likely to change based on the estimates you bring forward. If your estimates exceed \$50,000 you will need to provide documentation of financing in that amount;
3. If the funds being used are not tied to the project (such as a construction loan), we require an affidavit that states the necessary funds will be set aside from other business or personal accounts; and
4. The property must be maintained.

This will be on the City Council Public Hearing Agenda on Wednesday, September 26, 2018 at 3:30 p.m. in Room 300 Council Chambers if the conditions are not met and you wish to appeal further.

Sincerely,

Mai Vang  
Legislative Hearing Officer
