**Subject:** 1046 Edgerton Street

Good afternoon Ms. Moermond,

I was able to confirm that the Safety and Inspections Department received the Performance Deposit on the above property on September 21, despite the application and check being overnighted to the City Hall Annex by mistake. I'm thankful for smart and efficient city professionals.

I see notes on the City Council Agenda for tomorrow that the public hearing is being changed as anticipated from our last Legislative Hearing on this matter. I am not planning to attend the City Council meeting, unless something new has come up or unless there is some condition outstanding that US Bank has failed to meet.

Is everything still on track to the best of your knowledge?

Thank you,

Erick Flyckt, Esq.
