Hello -

Our deepest appologies, Our home is not how we wished to present it to you. Over the years you collect and keep more than you should or ever truly want. Example - mom moves to assisted living, Hey you are the oldest and have a basement here you go ... My uncle committed Suicide, Hey you are the eldest niece here in Minnesota here is some more stuff, so put in your basement.

The basement and the upstairs are in need of work. If I could please have a couple of weeks it will be done. Have been also dealing granddaughters with anxiety and depression, and my husband has been in and out of the hospital. I ask respectfully for this addi Hional time. Thank you for your Len M. Pano Patience.

Don't want to stop doing housework
