Subject: progress on 620 Oakdale Ave.

Hello,

I have been working with Raul Torres and Lena Martinez- Torres at 620 Oakdale Ave., St. Paul MN 55107. I wanted to update you with some information about their case.

I have gotten them a dumpster and they are making progress with putting the items outside of their home into the dumpster.

I have gotten them a cleaning estimate to help clean their home. I am working on applying to the St. Paul Foundation grant to use this for their cleaning service. I will educate them about other resources they can use to prevent this situation in the future.

The family is open and willing to accept and receive help from Housecalls, a cleaning service and anything else they may need.

Thank you!
