Hello Ms. Hanratty & Ms. Tobak,

See attached letter in the above matter. I apologize for the delay of this letter. I thought a letter was sent already noticing the date of October 9<sup>th</sup> Legislative Hearing and City Council Public Hearing. Due to the delay, if you need to have the matter continued, I will make the request to the hearing officer so that inspectors have a chance to review the case and inspect the property to determine where you are at in terms of rehabilitation of the structure. If an inspection can be done on Monday, October 8, a continuance of the matter is not necessary.

Thank you.
